Tolleston High School
Gary, Indiana

Spotlight On "66"

Faculty members present Assistant Principal's wife with a bouquet of roses.

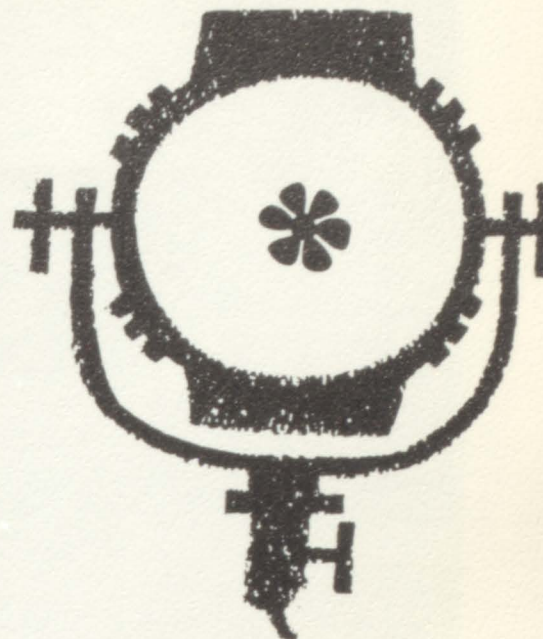

The Senior Class would like to welcome you to their Spotlight On "66". Throughout the years Tolleston students have had many exciting and thrilling moments that we will try to recapture in our Spotlight. Just a few of those moments were the winning of our Homecoming game, outstanding achievements in the scholastic and sports fields and last but not least the groundbreaking for our new school.

Several students participated in outstanding scholastic achievements such as the Indiana University Honor Program for foreign language students, the induction of 16 members into the Honor Society, participations of more Tolleston students in the Gary Advanced study Program, and the high achievement of several students who won National Merit Scholarship. Several outstanding athletic achievements were made by the track, football, basketball, and tennis teams. Our track boys have started in track meets over the entire county, while our football boys have been on All-City, All-Conference, and All-State teams. The basketball team wasn't up to par but they were recognized for their achievements.

The organizations sponsored entertainment throughout the community. The annual club dances, Hi-Y Talent Show, Sweetheart Dance, Class Parties, Homecoming, Football-O-Rama, Basketball, Tournaments, Prom, and the Pioneer Distribution Dance, were all promoted by full co-operation of the student body and clubs.

The spotlight shines on those students who developed skills in Manual Arts.

School Life Was Fun

In August a storm knocked down several trees in the park that handicapped the early arrival of students.

This student understands that the Key to Success is Hard Study.

Keeping the halls clean was one of the many jobs of Mrs. McFarland.

Football action proved to be only one of the many activities which created excitement.

Many Activities Prevailed

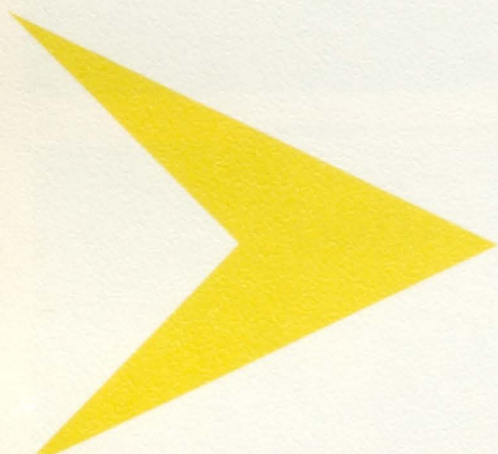

Well dressed Seniors checked their wraps prior to an evening of fun and entertainment at the Senior Class Party.

Although the students tried relentlessly to elevate their academic averages, they found time to participate in extra-curricular activities. The spotlight shines on the Slave Sale, Hi-Y Sweetheart Dance, Military Ball, Football, Track, and Art Exhibit. Although every student could not participate in every activity, the ones who were not able to take an active part seemed to derive enjoyment from the success of their classmates.

The many sports events attracted a large portion of our student body. With these many activities the students learned to coordinate the Social and scholastic development.

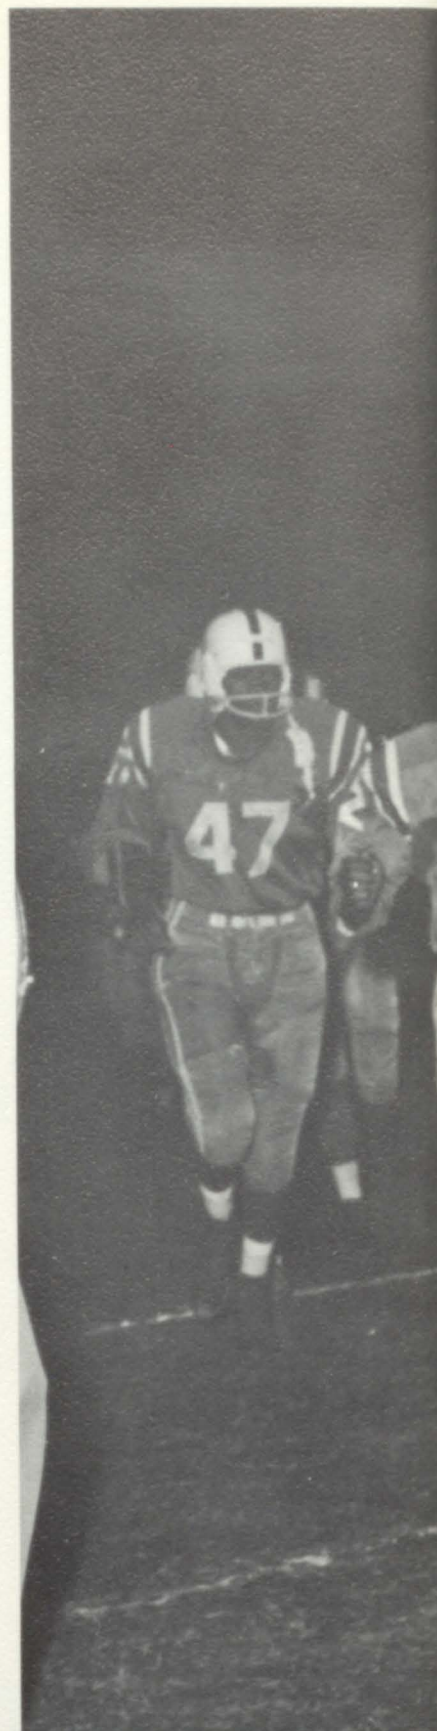

In addition to these activities, students who participated in chorus, band, cheer-leading, basketball, football, track, and wrestling found themselves spending countless hours practicing to perfect their performance.

Now the Spotlight on 1966 slowly fades away from school activities and shines on other phases of school life.

Football Homecoming

Mr. Carrabine and Mrs. Rodgers
congratulate the Homecoming
Queen for 1965-66.

The finalists wait nervously for the
announcing of the Queen.

The reigning Queen waves at the crowd.

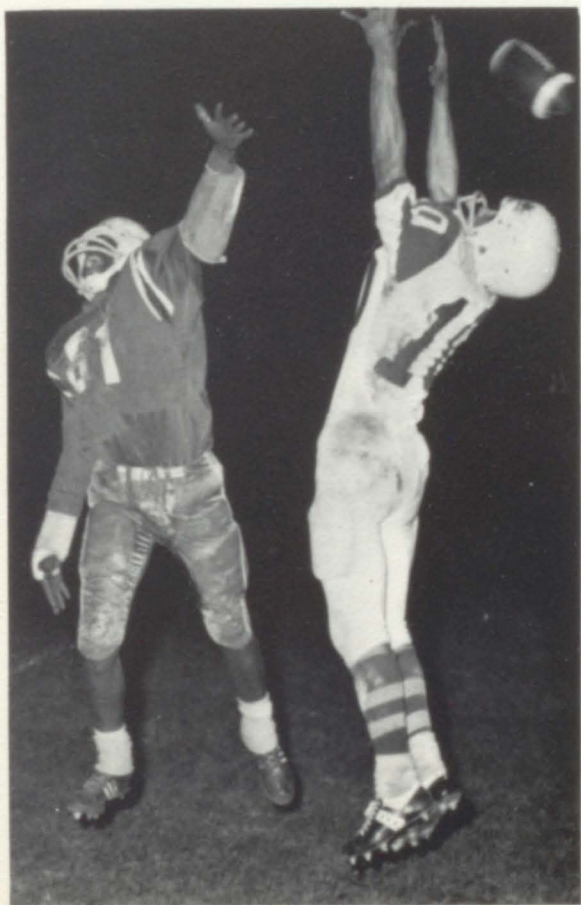

Highlighted The Season

The Football Homecoming highlighted the seasons fall activities this year. Following the customs of the past years, we had our annual Homecoming Queen Contest. Over fifty girls ran for Homecoming Queen 1965-66, but only 8 finalists were chosen. The candidates worked faithfully to turn in money and to get additional tickets from Coach Stearnes.

Finally, the big night arrived and four big convertibles drove eight finalists around Tolleston's Field. Then the most thrilling moment of all arrived, Joyce Ann Gregory was chosen Homecoming Queen 1965-66. A crown, a leather coat, and a bouquet of roses were her prizes, while the runners-up received leather coats, sweaters, and bouquets. The Queen and her court rode off the field to become one of the highlights of 1965-66. The Queen received many congratulations and wishes for a very happy reign. The two runners-up in the Queens court were Olivia Williams and Alice Lyles.

Poise and regality seem natural for Tolleston Homecoming Queen.

The Raiders proved themselves superior in defense by defeating Valpo at Homecoming.

Football-O-Rama Stimulated Students

Football-O-Rama contestants wave excitedly to the crowd.

As the summer came to an end school was about to start, the Football-O-Rama was the first activity, and it lifted the spirits. The eight Gary public schools played against one another in the kick-off festivities of the football season. Four girls were chosen from each school to run for Football-O-Rama Queen. The two finalists were chosen according to the amount of money turned in. This year two juniors were the finalists. Our Football-O-Rama Queen was Miss Linda McCoy.

The game was very exciting, although the final score was zero to zero.

The other scores of the Football-O-Rama games resulted as:

Horace Mann	7	Roosevelt	0
Lew Wallace	7	Froebel	7
Edison	0	Emerson	0

The eight reigning Football-O-Rama Queens pose happily for their pictures.

Freshmen glow as they dance at their very first class party.

This year, as in the past, Tolleston students attended their class parties with enthusiasm. The freshmen attended their class party and enjoyed themselves to their hearts content. The sophomores whirled the night away at their class party while the Juniors enjoyed a divine evening at their class party, "Tahitian Paradise". The Seniors had a lot of fun at their class party, "The In Crowd Goes Out", but when it came time to leave the Seniors were a little sorrowful because they knew that this was the last class party they would attend. The underclassmen looked forward to their class party next year while the Seniors had only memories.

The freshmen could have danced the night away at their first class party.

Spotlighting Class Parties

Sophomores dance dreamily as an evening of enchantment flew by.

School Life Offered

Between class periods students relax on campus.

Students hurry to their classes before the tardy bell rings.

The clear hall shows the efficiency of the hall guards.

Students discuss plans after school activities.

Many Activities

Jane Atkisson finds the nurses' help rewarding in the time of need.

Halls prove to be crowded between classes.

With only 55 minutes allotted for each class period, students had no time to spare. These minutes were filled to capacity with such varied subjects as English, French, Psychology, Algebra, Sewing, Woodshop, and Health & Safety. Classroom time was well put to use, for students had to work quickly and quietly to accomplish all that had to be done in each short period.

Students who have studied a foreign language have discovered that basic English skills must be mastered before a foreign language can be completely understood.

In the space age today, a great amount of emphasis is placed on the study of science and mathematics. Whether or not students intend to become scientists or mathematicians, Tolleston School's administration feels that each student should have some background in these fields. To give students the opportunity to be well versed in these fields Tolleston School's Curriculum contains several courses in math and science.

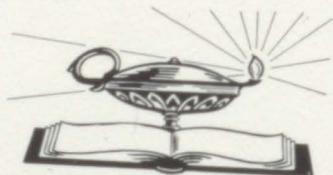

Courses offered in the Social Sciences include World History, World Geography, Psychology, Government and Economics. Each of these courses stressed citizenship to the students.

Tolleston offers a complete 4 year program in business. Among the courses offered are Bookkeeping, General Business, Typing I and II, and Clerical Practice. These courses attempted to prepare our students for future careers in the business field.

Students of T.H.S. were able to exhibit their creative ability in many various vocational courses. Through the instructions given by diligent teachers in these educational areas, students were able to learn how to cook, sew, give first aid, care for children, make articles of wood and metal.

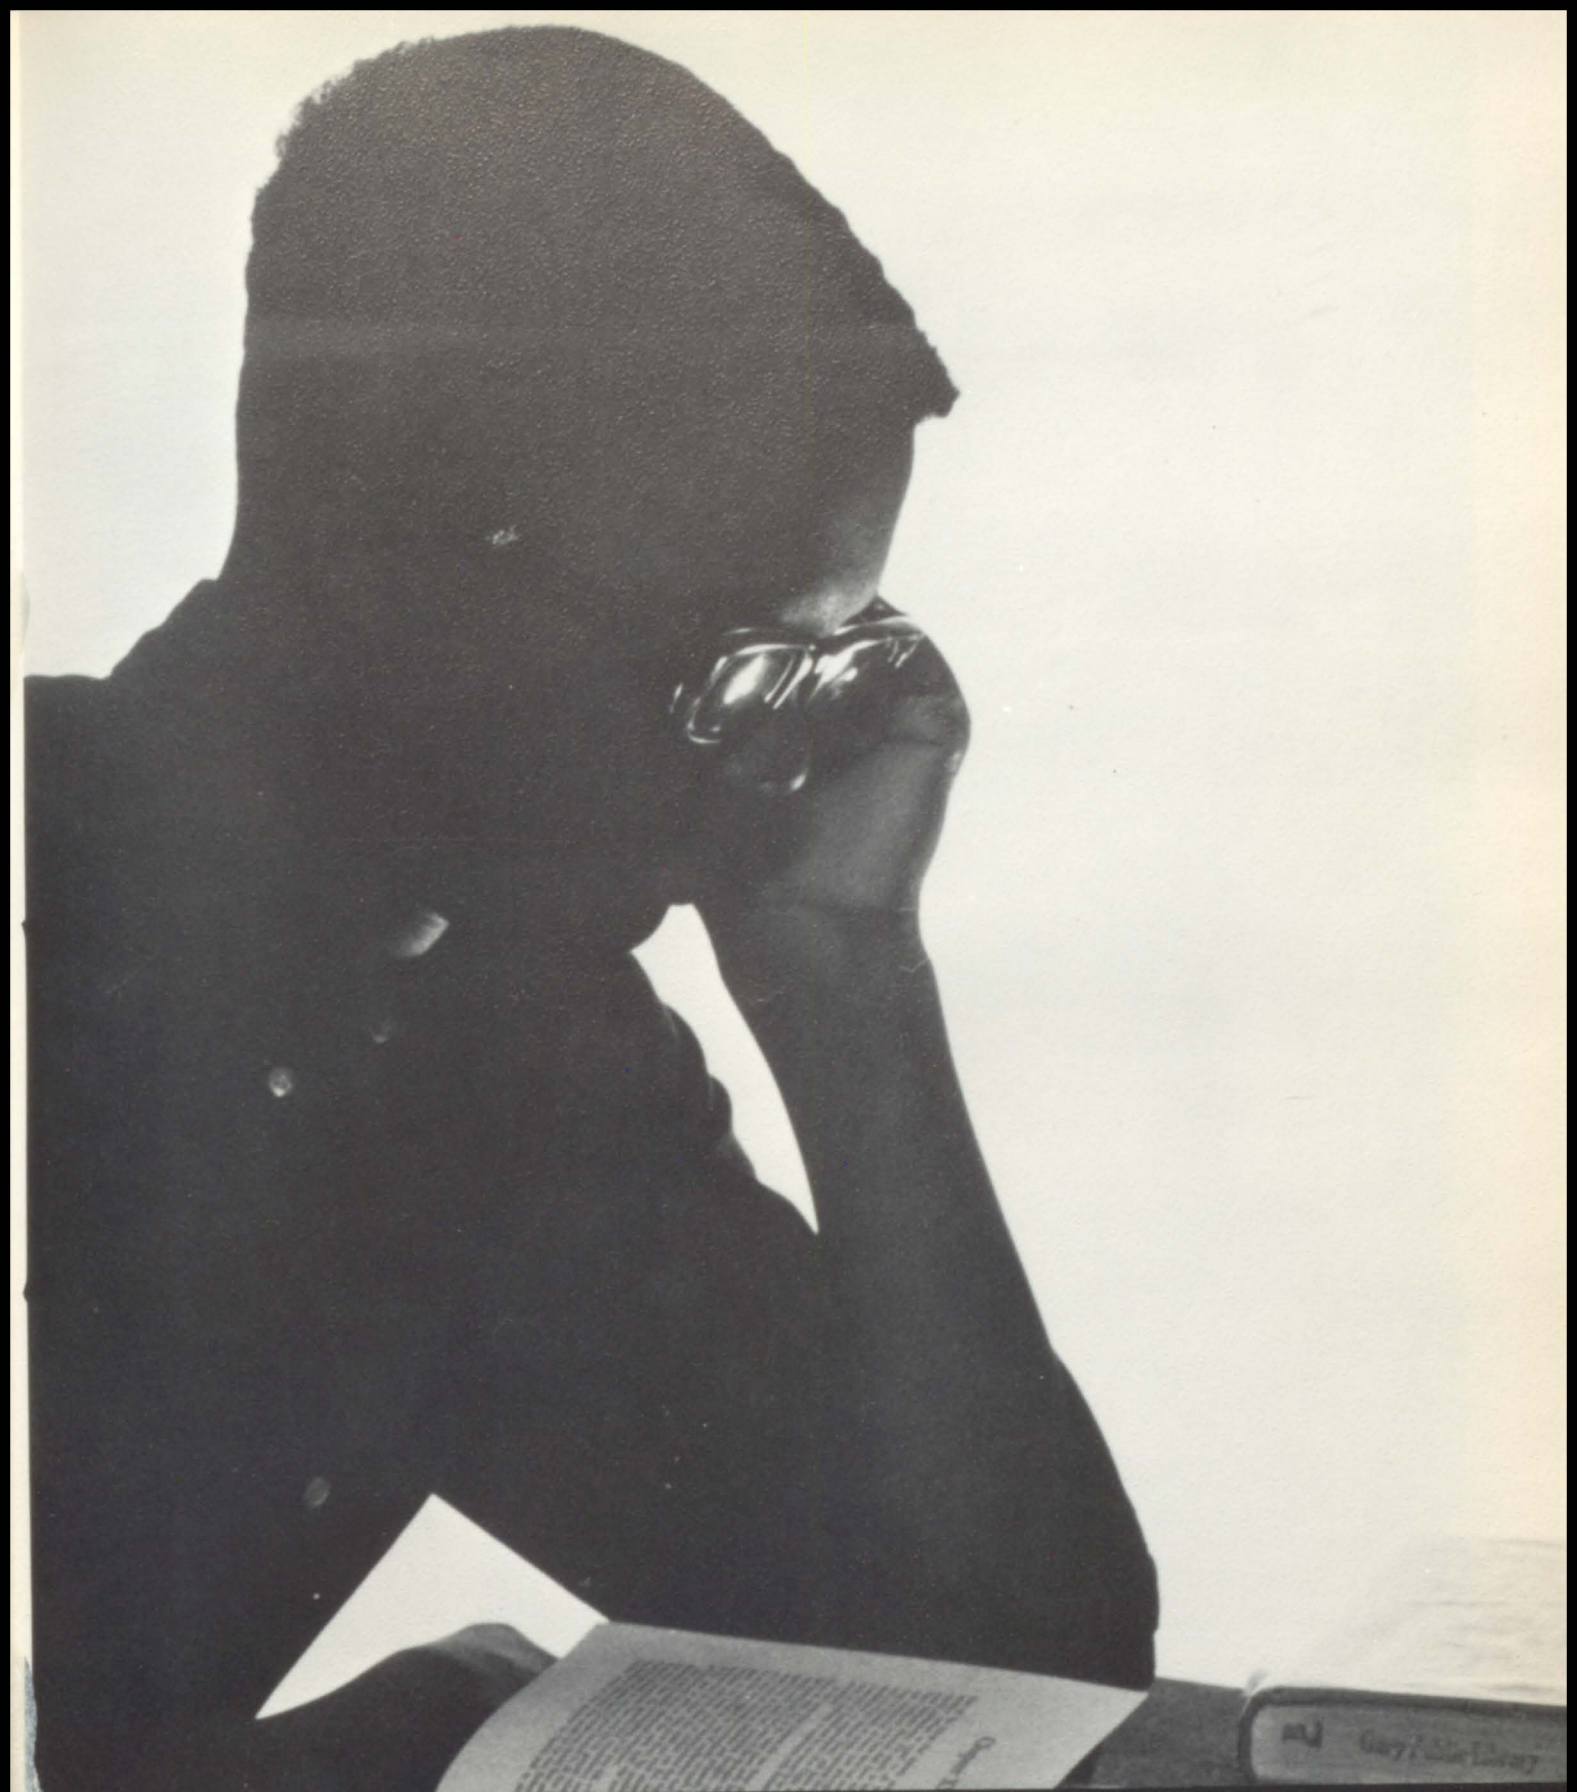

Tolleston students are required to pass courses in Health & Safety before they receive a diploma. The school administration feels that students cannot enjoy life unless they are good in health; therefore, these courses will give the students a background on how to live a healthy life.

Physical fitness was strongly stressed by Tolleston School. The physical education teachers stressed courage, strength, and above all sportsmanship. Under the guidance of teachers, students realized that in any sport it doesn't count who wins the game as much as how the game was played!

Academic

Life

Senior students display talent in drama during their English classes.

English and History

Mrs. Bush points out the case history of a paragraph to her English students.

Through the study of English and History students have learned the fundamental knowledge of English grammar. Also they studied literature which included the reading and understanding of novels, and short stories. In order to understand their reading better students displayed their talent in drama by acting out plays during English hours.

History also played an important part this school year. Senior students studied the working of the U.S. Government, while U.S. History students studied the complete history of their country and the problems faced by them. World History students studied problems and history of foreign lands.

Mr. Marshall assists students in government class.

U.S. History students listen carefully to lectures given by Mr. Steele.

Play Opposite Role

Dr. Crane explains the fundamentals of Psychology.

Students display current events in U.S. History.

Business and Manual Arts

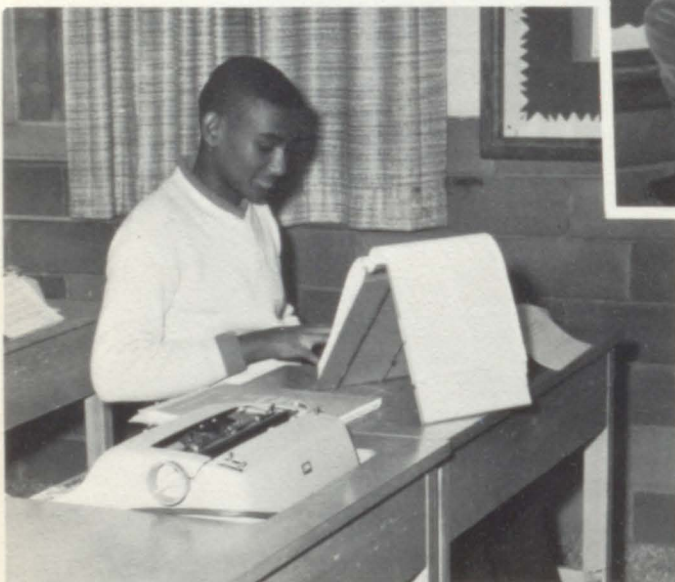

Tolleston School offers a complete four-year program in business. Among the courses offered are Book-keeping, General Business, Typing I, and Shorthand I and II, and Clerical Practice. In these courses the students learned that accuracy and neatness were requirements for success in the business field. Advanced students worked untiringly to prepare themselves for secretarial work. Many business students signed up with the co-operative program which enabled students to go to school half day and to work the rest of the day in their chosen fields.

In Manual Arts students learned how to use their hands constructively. Planning, designing and building such items as knick-knack bars, book cases, tables and stools developed skills which students will surely find valuable in the future.

These typing students strive to increase number of words per minute and decrease errors.

This student is seeking additional advice on typing lesson.

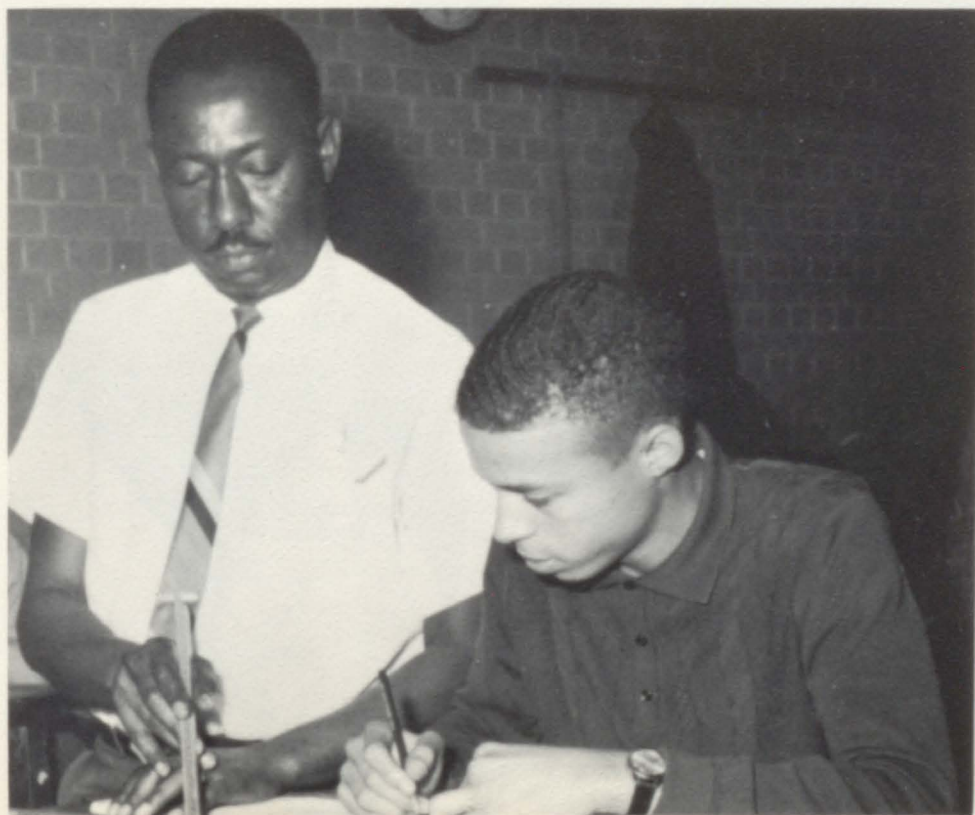

Being the only male enrolled in Typing II requires absolute concentration.

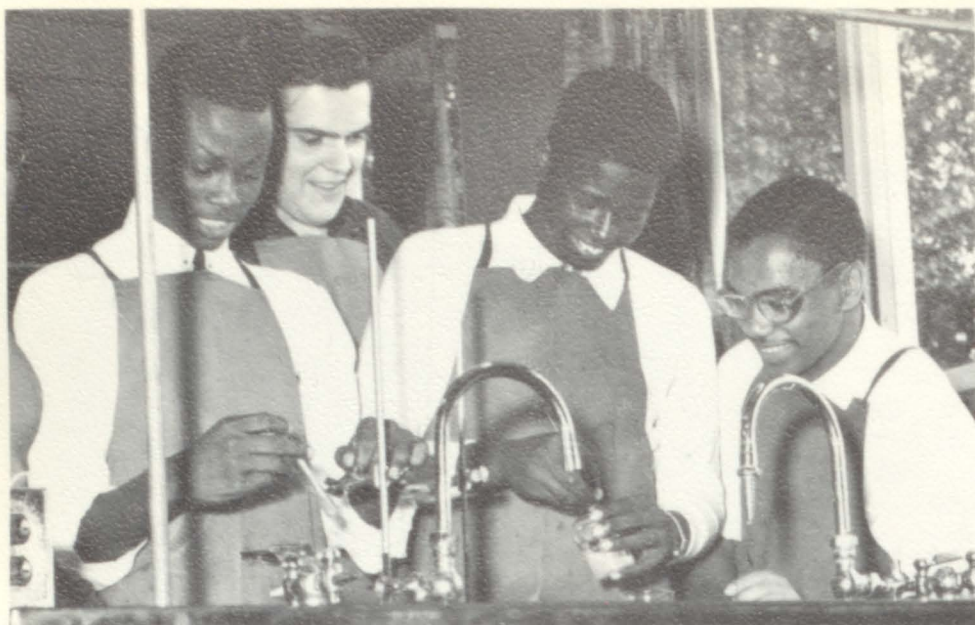

Played Opposite Roles.

Woodshop students work industriously on their projects.

Mr. Smith explains the fundamentals of mechanical drawing to one of his students.

Advanced Science students show an appreciation for preciseness and accuracy.

Mr. Duncan's science students question him on various subjects.

Science Classes

Mrs. Henderson goes over Chemistry Exams with two of her students.

Chemistry students wash hands to obtain accurate results from experiments.

Miss Carnage explains the fundamentals of Geometry to her students.

Develop Challenges

Mr. Lewis demonstrates the use of the Autoclave to science students.

Orchestra students practiced regularly in preparation for their Gala Concert.

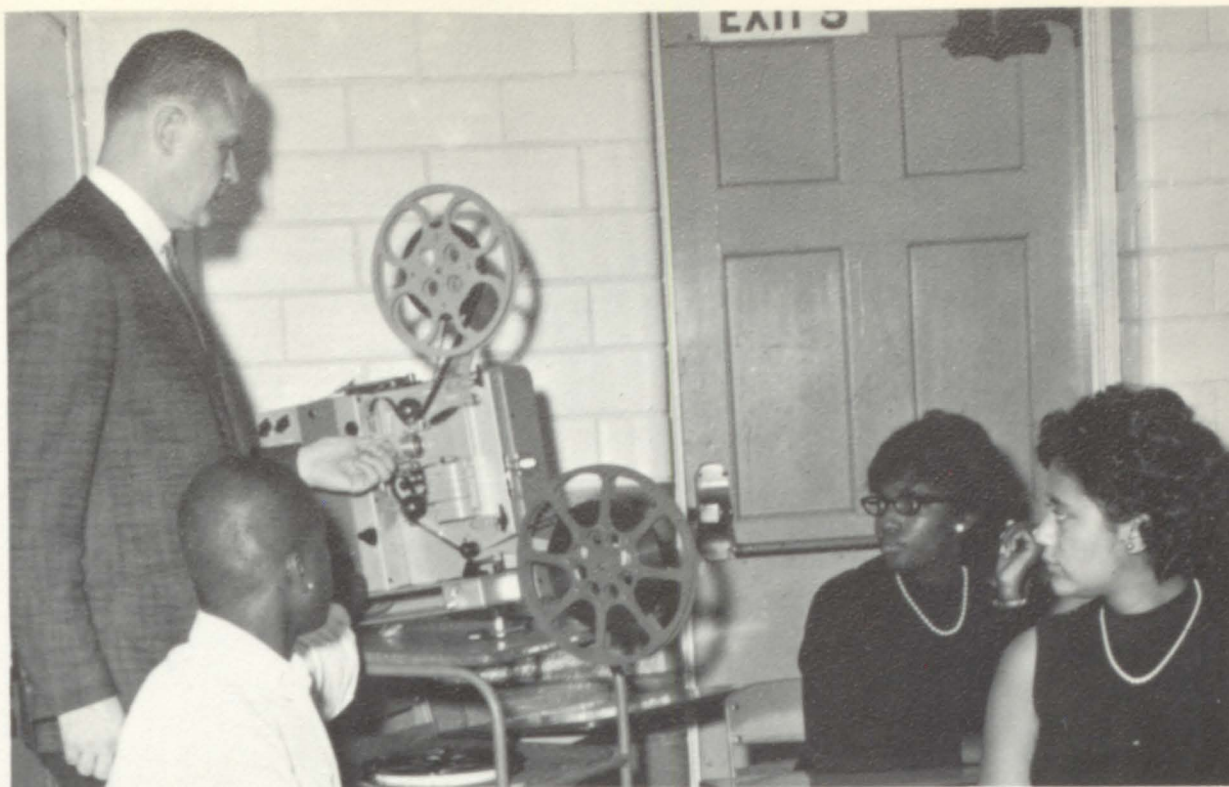

The Sounds of Music

The string section worked many long hours to acquire perfection.

The brass section rehearses diligently on a new song.

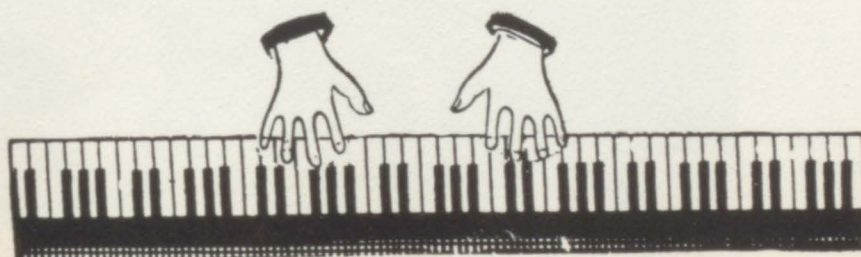

Students looked on while Mr. Lindaas prepares to show another movie.

The World in a Song.

The Girls' Glee Club has completed another full year of activities. Under the direction of Mr. Lindaas, the members have a Christmas Concert for the P.T.A., an annual spring concert, participated in the Gary Music Festival, and Baccalaureate, and Commencement Exercises. Along with the A Cappella Choir, they gave a dance to raise money for the club.

Developing musical skills brought much attention from Glee Club members.

Latin II students take turns reading passages from Julius Caesar.

Students Improve Skills

The language laboratory plays an important part in learning Spanish.

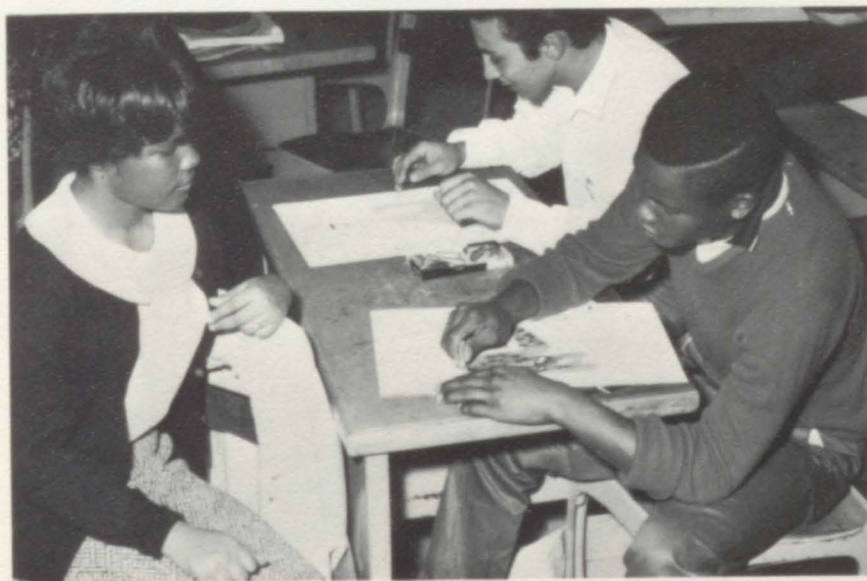

Art students demonstrated their skills in mask-making.

Art students admire the work of fellow students.

Both Artistic and Linguistic

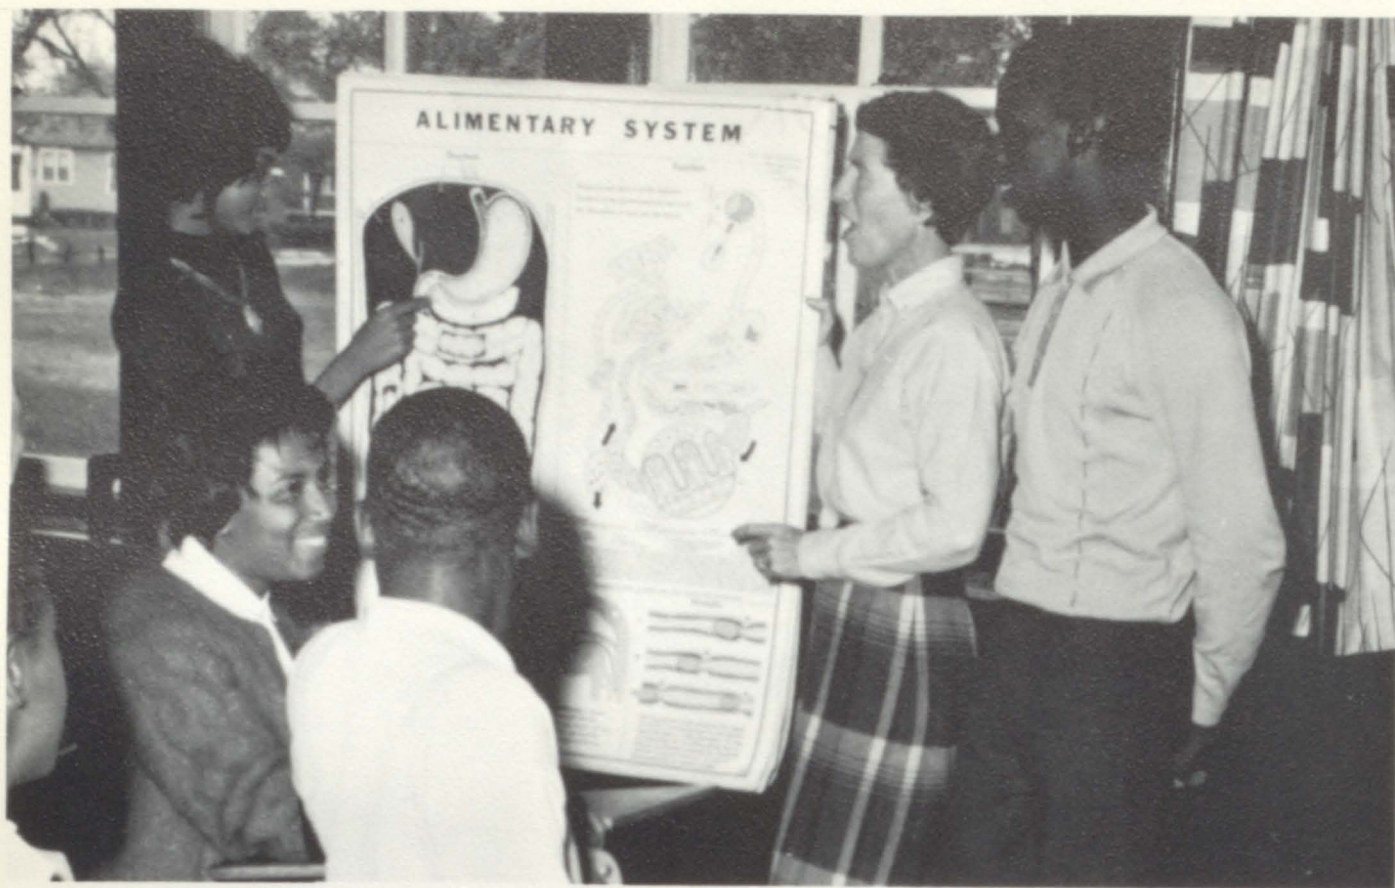

Students display talent in chalk drawings.

In Art I the major areas of study this year were development of design, sense, individual skills, and understanding and development of practical, vocational, and aesthetic experiences. Also a command of tools, equipment, and techniques, care, and use of materials were mastered. Art II students gained a broader knowledge in the use of materials, techniques, and skills. In this course the students developed an understanding of design and ability to choose well designed articles for personal use.

Individual projects promoted within each student the sense of creativity. They revealed such things as the correct techniques of contact printing, the developmental process, and the different textures of familiar objects. The students also learned what is considered good photography through composition and techniques. Creativity also occurred in classical languages.

Latin courses studied various areas. Latin I students learned the fundamentals of Latin grammar. Latin II students participated in such class activities as translating excerpts from Julius Caesar. Latin III students studied the famous Romans Pompey and Cicero.

Emphasis Was Placed On Health

Mrs. Johnson's Health & Safety Class had interesting and healthful discussions.

Mr. Brown's daily exercise is carrying film projectors.

Basketball in Gym classes proves to be fun and healthy.

Making a wearable garment wasn't such a tedious job for this student.

Through the instructions given by our diligent teachers in the Homemaking Areas, students were able to learn to cook, sew, give first aid, and to care for children. These courses also helped students to prepare for future positions in life while earning credits. The goal of several of these students was to learn to become a better homemaker for the coming years.

Future Homemakers of America

Sewing garments requires skilled instruction such as Miss Taylor gives her students.

These young ladies make cooking seem easy with modern day conveniences.

Tolleston High School has as its chief administrators Mr. Richard M. Carrabine, Principal; Mr. William P. Swan, Assistant Principal; Mr. W. Roger Snead, Assistant Principal. They are the men whose leadership and guidance have enabled this school to be a more worthwhile institution of learning.

Each of their positions has subjected Tolleston Students to justified punishment, gratifying congratulations, and the force of leadership necessary for maintaining and building educational skills. They are noted and praised highly for their work at Tolleston. They have given students ideal standards for which they are to strive. Their administration and dedication to the student body have enabled each student's life to be more pleasant. They are also known as men of understanding and sincerity. Because of their administration for and dedication to the student body they help students with social and academic problems. They have worked willingly and endlessly with the faculty to improve school facilities, and make our school a better place to attend.

Each of these gentlemen has served as a capable, understanding and very considerate principal of Tolleston School. Through their outstanding ability our school has become one of the most respected and highly rated schools in the city.

Administrators

The School Board members are appointed by the mayor for a term of four years. The members remaining from last year are Dr. Wygant and Mr. White.

The Indiana School Board Association believes that the Gary Board of Education has the sole responsibility to govern the public schools. This authority and responsibility is granted by law and cannot be delegated by others.

The Board makes and sets school policies and the superintendent's duty is to implement them. The board also hires and fires teachers and administrators, and looks out for the welfare of the students. The Superintendent is the hired chief administrative official of the Board of Education.

Dr. Lee R. Gilbert, superintendent of schools, efficiently administered the Gary School System.

The 1966 Gary Board of School Trustees are: (standing l-r) Mr. Donald Belec, secretary; Mr. LeRoy Mitchell, treasurer; (Seated l-r) Mr. Andrew White; Dr. James Wygant, president; and Dr. Montague Oliver, vice-president.

As the class of 1966 walks down the aisle of Memorial Auditorium we may think of that first date, of scoring the winning touchdown or basket. We may be thinking of a teacher who helped us understand something we had never understood before. But all our thoughts will focus the spotlight on past events in high school.

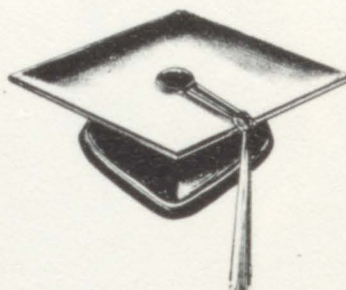

As Freshman, we joined many clubs and looked eagerly toward being a part of Tolleston High School. We were led that year by Beverly Wilson, Harold Cox, and Sharon Reed. We also attended our class party "April Showers."

As Sophomores, we chose our class rings and saw Issac Hood, Rowan Smith, and Eddie Harris dunk those basketballs that helped us win the regionals. Our class party, "Our Day Will Come," was planned by our class officers, Dorothy Preston, Donna Foster, Rita Fields, and Sandra Ervin.

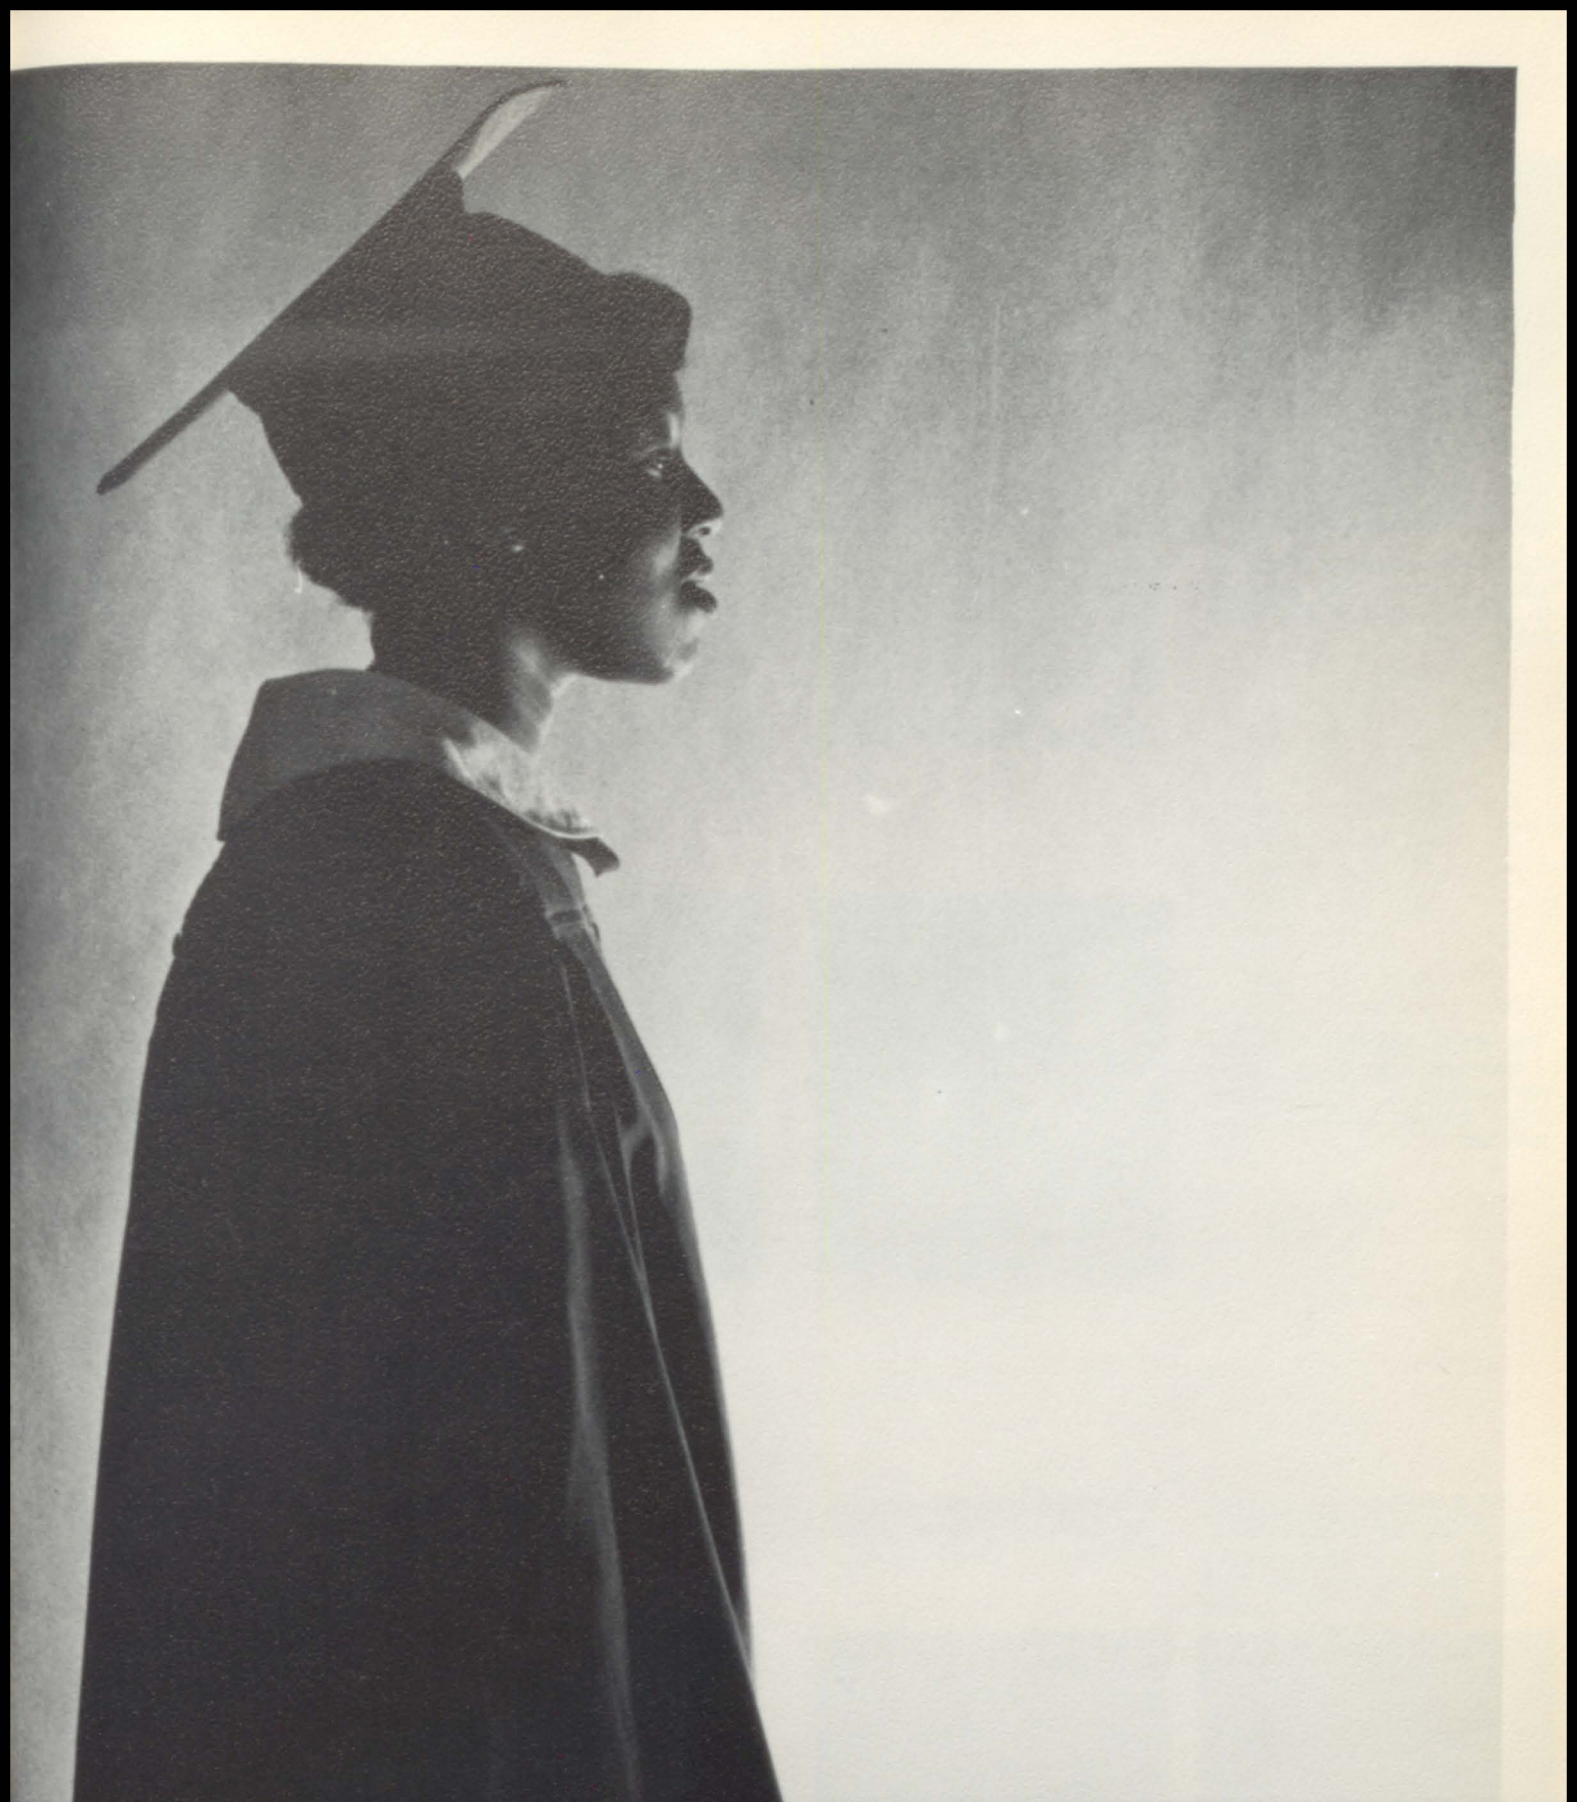

As Juniors, Beverly Wilson, Dorothy Preston, Sharon Burge, and Nona Fitts planned our Prom, "Moonlit Garden," as well as our class party, "On Broadway." As the year drew to an end, our candidates for Girl's State and Boy's State were chosen.

As Seniors, we were led by Donna Foster, Robert Urser, Barbara Goodman, and Peggy Means. We happily attended our class party, "The In-Crowd Goes Out." During that year Joyce Ann Gregory was crowned Homecoming Queen and Issac Hood, Artis Carrol, and John LaBroi were named outstanding athletes.

Now is the time for us to take our part in the world as mature adults. This has been our class history, and the spotlight slowly dims but these four years will be a living part of us for many years to come.

The Spotlight of 1966 slowly beams upon the Organizations. Every year there's always the rush of organizing clubs, but this year students stayed after school to attend club meetings all through the year. Students enjoyed themselves at the Hi-Y Sweetheart Dance, the Y-Teens Granny Dance, G.A.A. Hike, the sectionals and many more activities sponsored by our organizations.

In the music department students enjoyed such extracurricular activities such as their Christmas Concert, Dance, and their participation in Choral contests. While they enjoyed singing, the Science Club enjoyed going on field trips and having lectures.

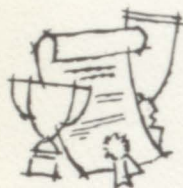

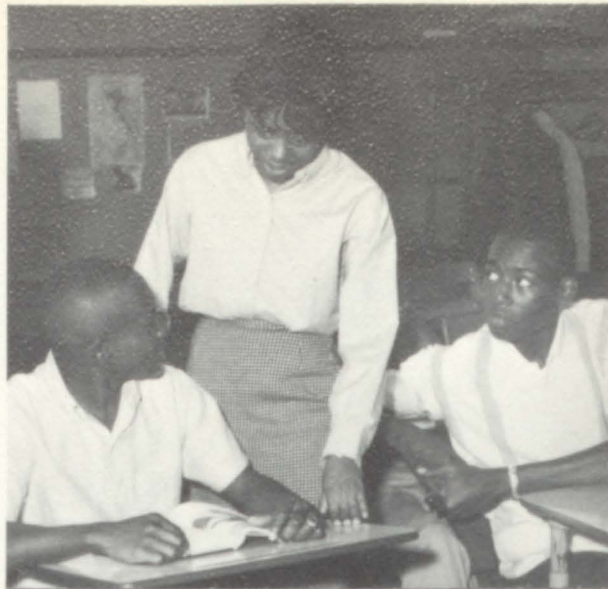

The Hi-Y gave their annual show and attended several area churches for religious studying. The Y-Teens had several activities this year; the Mid-Winter Conference, Girl's Talk, Granny Dance, Pajama Party, Turnabout and the Womanless Wedding.

Student Council members worked diligently to collect newspapers for the S.O.S. Humanity Drive. The French and Spanish Clubs devoted their efforts to developing the interests of their members on France and Spain. The Latin Club looked forward to their annual Roman Banquet.

The Future business leaders of America took pleasure in developing their skill while the future teachers of America visited several colleges and heard lectures on the teaching profession.

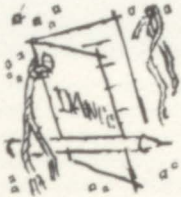

The Art club worked happily on their masterpieces for the annual art contest. G.A.A. played with sportmanship in their new sports. While all our boys used continuous efforts to get ahead and be the best in the sports world.

Well, we've viewed all of our organizations and the spotlight slowly fades away from the Organizations.

The School Year 1965-66 proved to be the year of the "Birth of a Great Band" in our school city. Tolleston's Band rose to the highest level by bringing honor and respect to themselves as well as their school and community.

During the summer, the eighty-three band members, under the direction of Mr. Melville C. Bryant, met in a Summer Session to prepare for the fall football season. None of the band members were obligated to rehearse, but the enthusiasm of each member brought a 100% attendance at all rehearsals. The eagerness of the group was rewarded when they were chosen to perform at the annual Football-O-Rama. This was then followed by the Veteran's Day Parade in which the band also participated.

This year, for the first time, the Tolleston Band held a fall concert. As a fund drive, members of the band took it upon themselves to get patrons to help support the instrumental department. Many faculty members and parents are now supporters of the band.

In January, Tolleston's Band was honored by being the host band at Memorial Auditorium for Col. Frank Borman Day. The band is now in the process of preparing for the annual spring concert, which will be held as a salute to graduating seniors of the band.

Persons have said, "Look at him marching without a uniform," but a uniform doesn't prove your ability to play an instrument nor does it add beauty to your playing. Members of the Tolleston Band have ability, responsibility, intelligence, and above all Mr. Bryant and Mr. Woodson, who take interest in the band members as individuals; not as 'just another drum player.'

Cheerleaders and Pep Club

Varsity cheerleaders: Jacqueline Hutching, Nina Triplett, Karen Castro, Jane Atkisson, Co-captain, Lawana Woolfork, Captain, Stephanie Thomas, Sharon Reed, Alicia Cody, Dorothy Preston.

In the past year a great deal of interest was stirred up concerning cheerleading and school spirit. Each student in the school had a personal interest in the cheerleaders and Pep Club. Like true leaders these nine "dashing dynamos," the cheerleaders, have faithfully and enthusiastically followed the team filling them and their spectators with lively spirit.

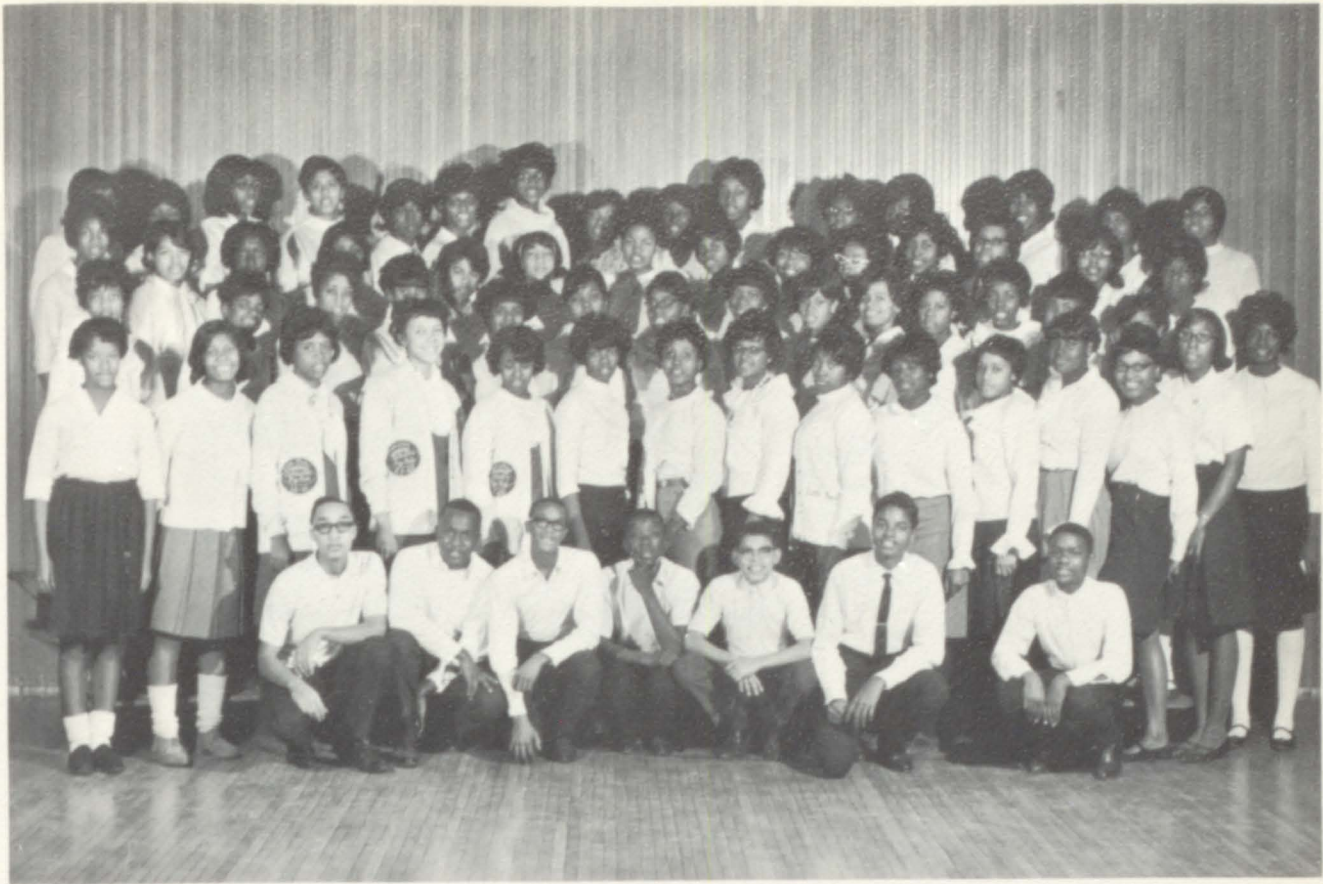

The Pep Club is also an important factor in the team's success. Tolleston's school spirit was at its best and the team was one of the best in the city. The Pep Club backed the team vigorously with various cheers. The Pep Club cheered our team to victory. Winning or losing, the team could always hear the Pep Club cheering them on to victory.

The Pep Club seemed to always be backing our team. Even at assemblies the Pep Club and student body let the team know their school was behind them all the way.

The president of the Pep Club is Diane Ross and the sponsor is Mrs. Rodgers.

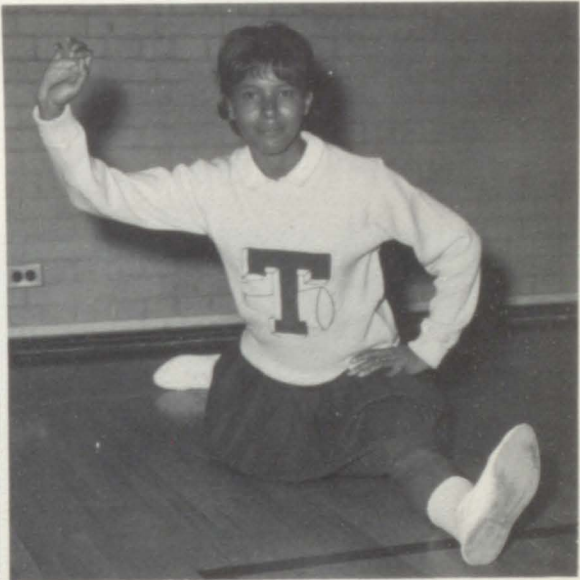

Reserve cheerleaders: Sandra Hawkins, Olivia Williams, Sandra Landrum, Mariola Leonard, Oliinda Lasenby, Janice Adams.

Director Donald Lindaas directed the Choir at special school assemblies.

Tolleston's Concert Choir and Girl's Glee Club performed in many events - the annual Christmas Concert, the Spring Concert, and the City-wide Music Festival. Also they undertook a concert-tour program. This program was established to publicize the performers' skill and to encourage cultural entertainment for Tolleston students. The Choir and Glee Club served the school through their singing at assemblies, recording Christmas carols, and singing at Club affairs.

To insure efficiency in the affairs and projects, the organizations elected officers. The Choir's Pianist and President were Shirley Washington; Vice President, Ernestine McClatchey; Secretary, Lynn Green; Treasurer, Sheila Jenkins; The Glee Club's officers were: President, Mary McGee; Vice President, Jackie Brown; Secretary, Ella Mayes; Treasurer, Gloria Eddie and Accompanist, Monica Noel.

This year the Tolleston High Drama Club began with new members, new club activities, and a new club sponsor-Mr. Allen Zwinklis, speech teacher.

In order to become a member of the Drama Club, one had to work with the book fair. Newcomers to the club found that hard work and time had to be spent unloading books, keeping track of the numbers of books sold, and decorating the library for the fair. With the help of a former sponsor, Mrs. Dorothy Lawshe, guidance counselor, the book fair was again a success.

Drama Club meetings, held every Friday, were made interesting by sessions impromptu speeches (two minutes of dissertations on interesting topics drawn from a box by the members), situation speeches, and sandwich forums (each member brought a dime and they bought cookies, potato chips, and pop-no sandwiches).

Instead of the annual "Highlights in Humor" production, the Tolleston High Drama Club undertook a major production. Also, the Drama Club members went to see productions at Indiana University-Calumet Campus - and other theatres in the city.

A New Sponsor

A group of Drama Club members prepare a script for their next play.

The 1965-66 Drama Club Officers: L-R Peggy Means, Jackie Embry, Mary Moore, Gail Whitman, Willie Mootye, and Shirley Washington.

Following many hours of practice, Drama Club members displayed near-perfect skills in theatre work.

The Future Business Leaders of America was organized to help create interest and strengthen understanding of the business world. Its membership is composed of those students who are enrolled in business courses. After completing high school many of the F.B.L.A. members went into secretarial work, industrial management, or other work related to the business world. The activities of the year include a Dress Right Week, and a Secretary Week. The F.B.L.A. also conducted an Easter Basket Sale.

Mrs. Leek, the sponsor, along with Diane Ross, President; Carole Johnson, Vice-President Rita Fields, Recording Secretary; and Eunice Grice, Treasurer; worked diligently with the F.B.L.A. to help make it the success it was.

Through Business Training

Officers of the F.B.L.A. are Diane Ross, President; Carole Johnson, Vice-President; Eunice Grise, Treasurer; Rita Fields, Recording Secretary.

The F.T.A. of Tolleston had a very busy year in 1966. The year began with the formal initiation of new members in a formal candlelight ceremony. After the ceremony, there were 55 members of the F.T.A. at Tolleston. The big dance of the year was the "Snowball Fantasy", which was a semi-formal affair given in January. Throughout the year, guest teachers spoke on the various aspects of teaching. During American Education Week, the members drew posters to the theme "stay in school." Led by Cynthia Raine, the club prospered throughout the year.

Exemplify Academic Life

F.T.A. Juniors this year were (Row 1) Jean Scott, Constance Cauley, Marcia Hull, Antionette Raspberry, Almata Simpson, Barbara Herndon, (Row 2) Mary Ann Alexander, Saline Francis,

Shirley Stallion, Laurretta Thornton, Catheryne Tucker, Olinda Lasenby, Bernice Wheeler, (Row 3) Patricia Dawson, Angela Smith, Luneil Monday, and Gail Green.

Future careers were discussed at many F.T.A. meetings.

F.T.A. members and their dates enjoyed the evening at the F.T.A. dance, Snowball Fantasy.

Honor Society - Tomorrow's Leaders

Honor Society members inducted this year were (L. to R.) Gail Green, Shirley Washington, Linda Wilson, James Williams, Toni Tenelle, Dennis Coleman, Jaqueline Pace, Michael Kelley, Gwendolyn

Moss, Nona Fitts, James Cleveland, Shirley Stallion, Wendell Johns, Gail Whitman, Antoinette Raspberry, and Margo McCullum.

The Ernie Pyle Chapter of the National Senior Honor Society was reactivated this year under the sponsorship of Mrs. Dorothy Lawshe, senior high counselor. Under her leadership and guidance, the chapter inducted fourteen eligible members in an all-school assembly in January.

To become eligible for this honorary society, one must maintain a B average or better in all academic subjects throughout the four high school years and must excel in scholarship, leadership, service, and character. This year's group consisted of seven juniors and seven seniors, and represented one in every 150 students at Tolleston.

To be elected a member of the Honor Society is one of the greatest honors Tolleston can bestow.

At the induction, new members took part in the traditional lighting of the candles from the torch of truth.

Student Council Governed Activities

Student Council members this year were (Row 1) Dorothy Preston, Carmen Agosto, Park Ella Joiner, Terrence Romanski, Linda Wilson, Marcia Carmen, Julia Nichols (Row 2) Peggy Means, Andree Hudson, Sandra Jeter, Celestine Jones, Jerrilyn McGregory,

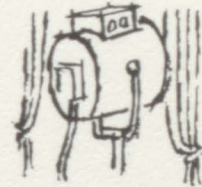

Sandra Landrum, Linda McCoy (Row 3) Jackie Embry, Darryle Smith, Theodore Moore, Jeffrey Carroll, Monica Noel, Janise Kyle (Row 4) Michael Kelley, Glen Cooley, Richard McClelland, Willie Mootye, and Allen Davis.

The Tolleston Student Council is the student government of the school. It is a medium through which the individual student expresses his opinions on matters concerning the student body at Tolleston.

The Student Council was composed of the presidents of the four senior high school classes and two representatives elected at large from each class. It is through these representatives that the classes give their views and express their grievances to the council.

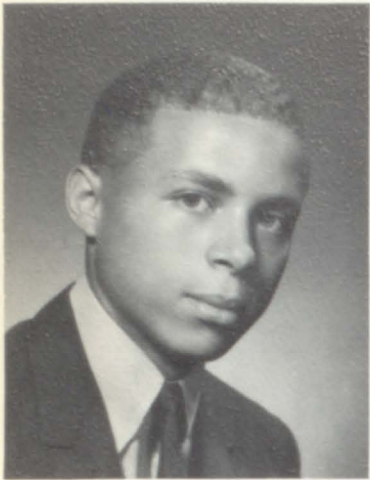

The Council is mainly a service organization, performing many services for the school and community. The major project sponsored this year was a paper drive throughout the Tolleston community. Proceeds went to the S.O.S. drive.

At the end of the year the members enjoyed a banquet. At this time, three outstanding Council members were chosen to represent Tolleston at a one week seminar at Indiana University.

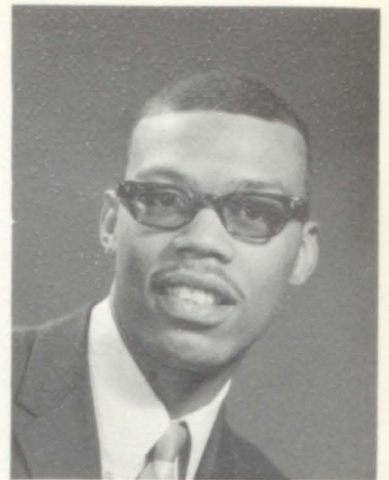

Student Council members worked many hours after school making plans for their paper drive.

The Tolleston Chapter of the National Hi-Y Fellowship of the Young Men's Christian Association of the United States was begun on the Tolleston campus in March 1962 with 10 boys. Now its membership has grown to 30. The members of the club accept the National Purpose: "To create, maintain and extend throughout the home, school, and community, high standards of christian character." Among the annual activities of the club are: monthly visitation of a church in the community; selection of a club sweetheart; and presentation of the annual Talent Panorama. This year, the Sweetheart Dance was held at the Sheraton Inn.

Sandra Erving Hi-Y Sweetheart 1965-66

Each year, the thirty young men who make up the Tolleston Hi-Y Club are eager to select a young lady who possesses the charm, congeniality, beauty, personality, and Christian character to represent them as their club sweetheart. Selection is difficult but the young lady who receives the honor is indeed the envy of the campus. This year three beautiful girls were finalists. They were Arlene Miles, Sandra Erving, and Joyce Sykes.

At the Annual Sweetheart Dance sponsored by the club, Miss Sandra Erving was recipient of the honor of being Hi-Y Sweetheart for 1965-66. The dance was held in the beautiful Imperial Ballroom of the Sheraton Inn.

The Bal d'Hiver proved to be a very colorful affair. Each girl was presented a bouquet of flowers and Miss Erving also received the club Eaton cap, Hi-Y pin, and club sweater. Presentation of the flowers was made by Mr. Steven Wallace, club president.

The Socii Docti sponsored by Mrs. Anne Thompson not only combined study with pleasure but also learned the customs and language of the ancient Romans. The Latin Club began this year's activities with an introduction to the new Latin Club members stating the qualifications for membership of the Latin Club. The Club also held its first annual "Slave Sale" where thirty new members were sold as slaves in all the styles and customs of the Romans. Other events of the club were the induction of thirty new members. Parents, friends, students, and prospective Latin students were invited to this affair. They also sponsored the Roman Banquet. The food was prepared as the Romans did centuries ago. All members wore usual Roman attire which consisted of a toga and sandals. Other events included national Latin exams for all Latin I, II, III, students and the biggest events that everyone awaited was annual City-wide Conference in which all schools that teach Latin participate. This year the Latin conference was held at Lew Wallace School, February 12.

There was no Tolleston newspaper in the spring of 1964 when a group of concerned students approached Mrs. Beshore with the idea that Tolleston High needed a school newspaper. During that spring and summer these students banded together to bring out the new Raider Review. It was rough going during the first year of 1964-65. Students worked during their study periods and after school. They raised funds by selling ice cream and chips during the summer session and brought out a paper regularly during the school year.

Many others also helped in the special articles and in the typing of material for the newspaper.

Plans have been made for producing a better paper with better appearance, writing, and illustrations. Perhaps a printed Raider Review will follow after 1966.

In September of 1965 the staff was given a class period and school credits for publication work. The staff members selected Carmen Agosto as Editor-in-chief, Janise Kyle and Cheryl Holloway as Assistant Editors, Willie Washington as Sports Editor, Lucy Wyatt as Proofreader, and Brenda Reese as Head Typist.

ROTC - Future Military

Honorary cadettes pose with officers and eighty-one members of ROTC.

ROTC cadets represented Tolleston in city parades.

The Reserve Officers Training Corps is a course taken by all boys who are interested in our nation's military policy. In this program the young cadet learns the use of military weapons, equipment, and tactics. The major advantage one has if he enrolls in ROTC is that should he decide to begin a career in the armed forces, he would be eligible for a quicker promotion.

The cadet's goal is usually to obtain as many promotions as possible, for it is the high ranking cadets who receive recognition and privileges. An example of this would be the Honor Council of which only the high ranking students are members.

This year the ROTC had as its directors Sgt. Herman Hill and Sgt. Chester Wise. The enrollment for 1965-66 was approximately

two hundred thirty. Of this number, nine participated on the Rifle Team, and fifteen on the Drill Team. Other important members of the ROTC were the Honorary Cadettes. Two seniors, Ernestine McClatchey and Donna Foster and one junior, Charlotte Green, were chosen by popular vote of the ROTC as Honorary Cadettes.

Our military unit took on new color with the inclusion of members of the "opposite sex". The girls' Rifle and Drill teams gave our girls a chance to demonstrate their skills in sharp-shooting and squad discipline.

The ROTC may take its place with other institutions of military training such as Westpoint, or Annapolis. It will help produce our future leaders and help to accelerate our progress in military education.

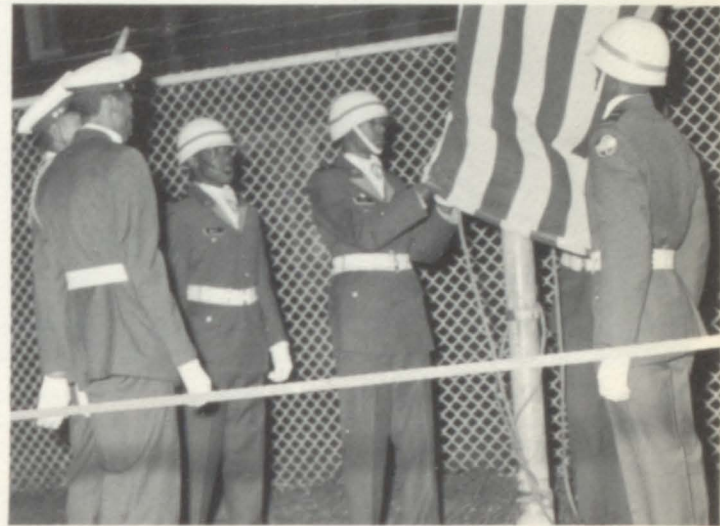

The drill team is one of the main branches of ROTC.

Superior marksmanship was always the goal of the Rifle Team.

Inspection day had extra significance when Cpt. Garcia inspected.

Drill team members were responsible for the maintenance of the flag.

Here, cadets are busily preparing for a drilling exhibition.

The Tolleston High School Science Club was organized to provide its members with a better understanding of science. Under the direction of Mr. Conard and Mr. Lewis, it chose for its annual project the maintaining of a campus weather station. From this the club gave daily weather reports and forecasts.

At each meeting the members tried to explore a different career in science. This ranged from Biochemistry to Chemical Engineering. This enabled the members to have a better opportunity to explore the field they would like to pursue in adult life.

The officers of the Science Club for the past year have been: Dennis Coleman, President; Jon Nadolski, Vice-President; Helen Johnson, Secretary; and Emmitt Willis, Treasurer.

Science Club Officers Are: Emmitt Willis, Helen Johnson, Dennis Coleman, Jon Nadolski, and Jean Hinton.

Dennis Coleman teaches some members of the Science Club how to work some of the instruments used in weather forecasting.

The Tolleston High School Art Club advised by Mrs. Roach had an enjoyable year of many activities. This year they worked on decorations for class parties selling chips, sponsoring dances, and presenting their annual art fair, which was in the spring. The Art Club is headed by Karlene Mahone, President; Bonita Ransom, Vice-President; Brenda Raspberry, Secretary; Darryle Smith, Treasurer; Andree Hudson, Sergeant-at-arms; and Linda Protho, Business Manager. Other projects which the Art Club pursued were decorating the school for Christmas, and keeping the trophy case filled with exhibits of different Art Class projects.

This year under the enthusiastic leadership of Mrs. Yvonne Davis, and Miss Olga Bejerano, sponsors, the Spanish Club began its fourth year.

Carmen Agosto, President, and Julia Nichols, Vice-President assumed the responsibility of organizing special activities for the club members. Included in these activities were skits and games, a Christmas play, a Christmas party, where Spanish food and dances were the refreshments. The annual Spanish Club dance was held in May along with the Spanish Club outing.

In keeping in accordance with their motto, "To promote the practice of the Spanish language and to familiarize the members of the club with the customs, literature, art, and history of the Spanish-Speaking countries and in this way to increase the friendship among these countries and ours," Spanish Club members made it a point to study the history and customs of all the Spanish speaking countries.

Miss Bejerano, co-sponsor, was of great assistance in this area since she was born in Cuba and lived under the dictatorship of Castro for a short time. Miss Bejerano was able to tell the club members many facts about life in Cuba under Communism. Obviously El Circulo Español had a very successful year.

La France Vient a Tolleston was the theme for the French Club this year as well as last year. The dream of France coming to Tolleston was realized through a calendar of events which began with the induction of 35 members into Le Cercle Francasis. Special activities for the year included French plays at Northwestern University, dinner at Jacques Restaurant and a French movie in Chicago, Mardi Gras, French Drama Festival, and foreign language conferences.

Officers of the French Club view one of the famous French monuments. The officers for 1965-66 were: Robert Cooley, President; Shirley Washington, Vice President; Cheryl Holloway, Secretary; Nona Fitts, Treasurer; Carol Hinton, Parliamentarian.

Interested French Club members study various sections of France and its cultural aspects.

Representing Tolleston at the Girl Talk press conference were Linda Wilson and Carmen Agosto.

The Tolleston Y-Teens had a very full year with the induction of more than a hundred girls. They also had their monthly meetings at the Y.W.C.A. with which they are affiliated. Along with their Pajama Party, they had such activities as the Y-Teen Turnabout, "Girl Talk", and a Granny Dance.

The Y-Teens help girls understand their responsibilities to life, and help their social and personal contact. The sponsor, Mrs. Erma Elliott, helped to organize the beliefs of girls and to make them understand life's offers.

Holding offices this year were: Toni Tenelle, President; Linda Wilson, Vice-President; Loretta Gunn, Secretary; Shirley Washington, Treasurer; Diane Ross and Muriel Huley, Representatives; and Barbara Goodman, Chaplain.

During the last two years, the G.A.A. has participated in numerous activities which include the induction of new members, Christmas Spread, the Mother-Daughter Activity Night and the annual G.A.A. Banquet. The G.A.A. has various sports which include basketball, volleyball, tumbling, speedball, and bowling. However the highlight of the year was the G.A.A. Induction where the new members received diplomas as a symbol of their membership.

The council members held activities for themselves. This last school year they held parties at one of the council members' house. Also, on December 7th, the G.A.A. held its

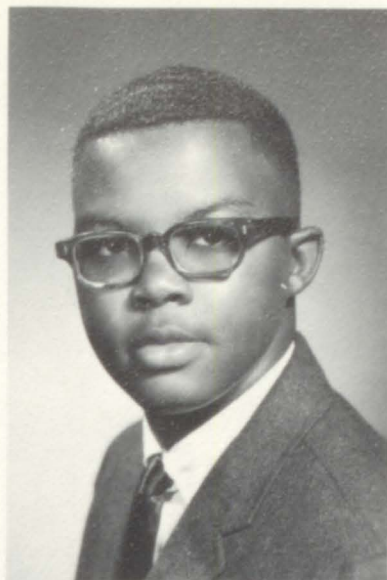

annual Christmas Spread. Each year the council invites two G.A.A. representatives from each school in the city. Every girl is required to bring two canned goods, fifteen cents, and a twenty-five cent gift. The fifteen cents goes toward the purchasing of turkeys to go along with the canned goods to be sent to needy families in the Tolleston district.

To complete the school year the G.A.A. held its annual Banquet where awards were presented to those girls who had earned 1500 points. The letter "T" was awarded while senior girls who had accumulated 3000 points or more received a trophy.

Noisy typewriters, reams of paper, pages of copy, and hundreds of pictures - these were but a few of the ingredients that went into the completion of the 1966 PIONEER.

Beginning in September, the flashbulbs began popping as the staff of the PIONEER attempted to catch the spirit of the year 1966. As the year progressed and the book began to take form, the various editors began looking for "just the right picture" or "just the right word" to fit in with the theme of the book. After meeting six deadlines, taking four hundred orders, sorting through a thousand pictures, and writing ten-thousand words of copy, the book was finished and sent to the publisher. Then came the anxious weeks of waiting for the book to arrive, to see the product of six months of work.

When the book finally arrived, the staff once more set to work, balancing the accounts and scheduling the distribution dance. After it was all over, the staff enjoyed an honors banquet. The best reward, however, was the achievement of producing a school annual worthy of the Tolleston name.

The editor-in-chief of the 1966 PIONEER was Mike Kelley. The assistant editor was a member of the junior class, Deborah Moore. Layout editor and copy editor were Theodore Moore and Cheryl Holloway respectively. Frank Zedalis kept the books. Mr. Meharry Lewis was the sponsor and Miss Joanne Minelli taught the class.

ACKNOWLEDGMENT

Participation in athletic competition and membership in Tolleston's many organizations were an important part of the school life of every member of the student body. Every student has at one time or another felt the rich reward and satisfaction of being a member of some group organized for a definite purpose. Whether athletic or social, the group was instrumental in helping to build and strengthen character.

Being a member of the football, basketball, tennis, track, cross country, wrestling, or baseball team taught the importance of developing and exercising physical abilities to the utmost, not for personal gain or glory, but rather for the "the good of the team."

A strong attack and solid defense accounted for the favorable finish of the 1965 Tolleston Blue Raider's season. Leading the team through five wins and four losses were Artis Carrol and John LaBroi, Co-Captains.

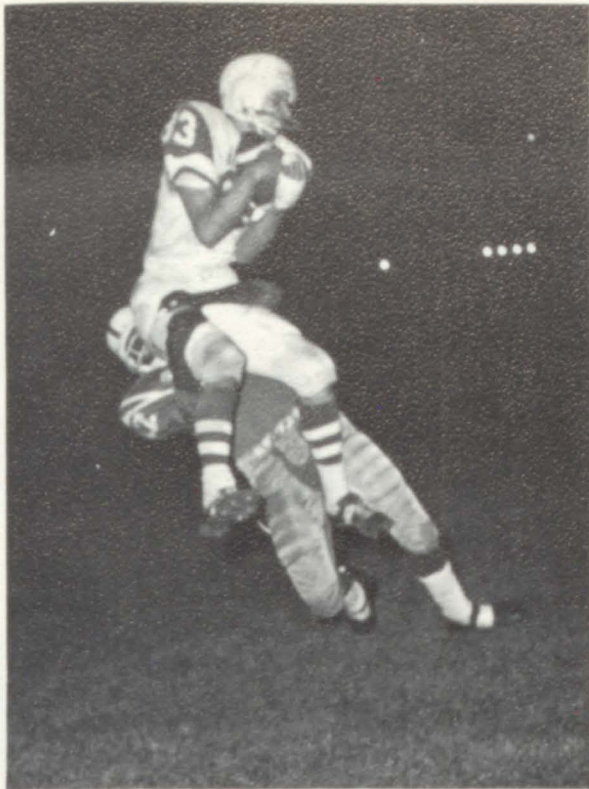

One of the leading linemen throughout the season, Artis Carrol, Tolleston's star center and tackle, was one of the few Tolleston athletes to make the All-State football squad. Artis was also selected along with John LaBroi and Isaac Hood for All-Conference and All-City squad - named by the Associated Press.

The Varsity squad under the instruction of Coach Robert Stearnes and his assistants Connie Kimbo and Earl Smith, played ten games. The Raiders had the opportunity to display strong moral character and true sportsmanship by learning to accept their losses as well as their wins.

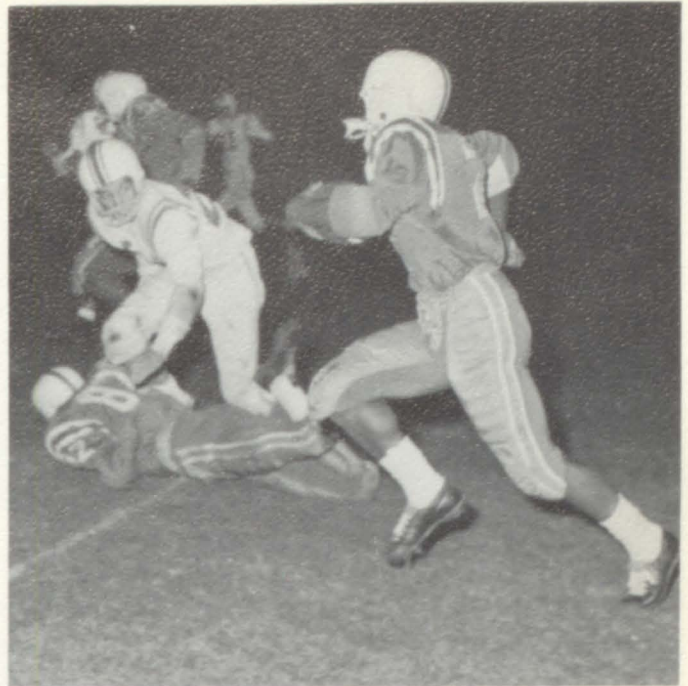

Football-O-Rama, a non-conference exhibition game, was the season opener. It was played at Gilroy Stadium on a warm afternoon. Linda McCoy and Valarie Brazleton were crowned Tolleston Football-O-Rama queens.

Isaac Hood, Guard

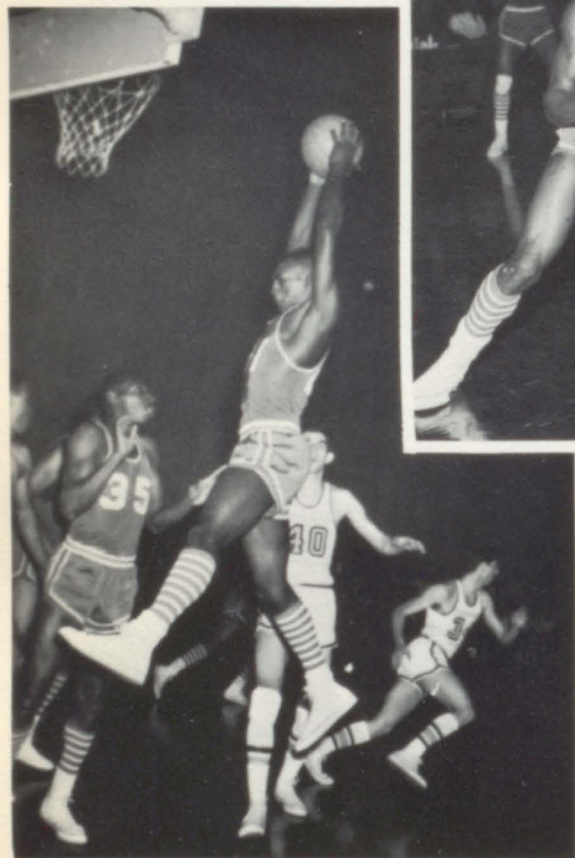

Reserves and Freshmen

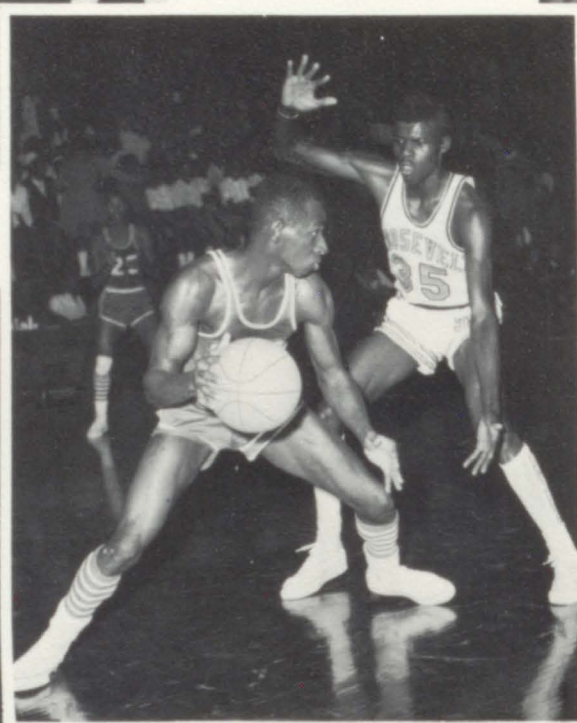

Sam "Huff" Anderson lets another thirty-footer go and sinks it.

Rowan Smith demonstrates his tremendous leaping ability.

Glenn James demonstrates his tremendous jumping ability by soaring high up over his opponent.

Ike Hood shows his fantastic dribbling ability as he drives around his opponent.

"Tipping" Ed Harris tips another in as Big Jim Holden looks on.

Seniors

Row 1 - Djmal Johnson, Johnny Guzman, Marlen Hurt, Row 2 - Wendall Brumfield, Artis Carrol

The Freshman class looked eagerly toward being a part of Tolleston Senior High School. Freshmen were somewhat awed and confused as they tried to learn teachers names and where to go. They had to assume responsibilities and help uphold the high standards of the school. The freshmen joined many clubs participated in athletics and tried to show some school spirit.

Sophomores chose their class rings. They seemed to think that they were will acquainted with the school and looked down upon the freshmen. A few of the sophomore boys were pleased to be playing varsity sports.

The Junior class was extremely excited about their first Prom which would be planned by their classmates. They had to make frequent visits to the library for their first term paper. These students felt like the old members of the crowd, since they would be Seniors next year. The underclassmen which make up the bulk of Tolleston High School were well on their way to becoming the "senior citizens."

Acknowledgements

Although the entire PIONEER staff worked diligently during the year to make the yearbook a success, special thanks should be extended to our sponsor, Mr. Meharry Lewis; our teacher, Miss Joanne Minelli; and our photographer, Mr. John Giolas, all of whom did much to aid the student journalists.

We would also like to thank the administrators, the faculty, and the entire student body for their support and co-operation. Without their help the yearbook would not have been a success.
